Sir,

* Sub: Kollegal Silk Filatures, Kollegal - Cocoons - damaged by rats - disposal of loss writing off - sanction - requesting.

ENCLOSURES.....

SPARE COPIES.....

The Manager, Kollegal Silk Filatures, Kollegal has reported that during the period September, 1945 to March, 1946 a quantity of 504 lbs. (green weight) of cocoons valued at Rs.693/- at the average purchase rate of Rs.1-6-0 per lb. got damaged by rats and that the cocoons had to be disposed off for a sum of Rs.133-14-0. There was thus a loss of Rs.559-2-0 in this transaction. I request that Government may be pleased to sanction the write off of the loss, as such loss cannot be eliminated altogether.

2. With reference to para 3 of G.O.No.4786, Development dated 30-11-45, the Manager, Kollegal Silk Filatures has reported that he contacted the filatures in the Mysore state and has ascertained that they are adopting the following methods to prevent damage to cocoons by rats.

1. Closing of all rat holes.
2. Poisoning of the rats i.e., by mixing poisons "rates" with food and by placing the poisoned food near the places where the rats frequent.
3. By periodical rat hunts by trained dogs.
4. By breeding cats.

The Manager, Kollegal Silk Filatures has already been adopting all these measures to minimise damage of cocoons by rats.
